## Summary

Professional with a strong work ethic and the ability to lead and problem solve with resourcefulness; including but not limited to 5 years of personnel management, 3 years classroom planning/instruction/management, 2 years of curriculum design, thinking outside-the-box and a demonstrated history of getting results.

## Experience

### String Theory Schools

**2014-Present**

*7th Grade ELA Teacher*

*Responsible for all aspects of curriculum creation, planning and delivery, classroom management, and contact with parents. In addition to these duties, it is imperative to have a full understanding of the latest trends in technology, as iPad deployment has supplemented textbooks.*

- Design and implement curriculum from the ground up, create lessons and deliver the English Language Arts in new and innovate ways through the use of technology and iTunes U.
- Manage the participation, behavior, and work of all students assigned to my class.
- Stay abreast on new innovations in technology in order to remain relevant.

### Cherry Creek School District

**2013-2014**

*Substitute Teacher/Summer School*

*Execute lesson plans according to specification and ensure students get quality education while in the classroom.*

- Implement lesson plans.
- Tailor lessons to work for exceptional individuals.
- Manage all aspects of the students assigned to my classroom.

*Student Teacher*

*Horizon Middle School*

- Student teacher under Mr. Jared Ortiz-Gray, Fall 2013
- Executed lesson plans and classroom management under the guidance of Mr. Ortiz-Gray, as well as college supervisor Mr. Woodie Smith.

### TAG Burger Bar - Denver, CO

**2011-2014**

*Floor Manager*

Ensure a positive guest experience at all times, create schedules for staff, handle financials at the end of each shift, maintain a productive and positive work environment.

### Comcast Corporation

**2007-2011**

*National Account Support Representative II - Centennial, CO*

Managed high speed internet accounts, both billing and technical, for teleworker employees of major corporations. During this time I also worked with the Comcast Credo Action Team in efforts to improve employee life, as well as better business practices.

*Communication Technician III - Denver, CO*

Install and repair television, internet, and voice services in customers home, always ensuring white-glove service and guaranteeing the work to be above the expectations of the customer.

**United States Marine Corps Reserve, Corporal**

**1996-2002**

*Air Traffic Control Communications Technician*

**Education**

Metropolitan State University of Denver, *Denver, CO*

Post-baccalaureate Teacher Licensure in Language Arts, Grades 7-12

E. Stroudsburg University, *E. Stroudsburg, PA*

B.A. in Sociology
