

PAUL DiNUNZIO

QUALIFICATIONS PROFILE

Dedicated and patient-focused with proven strengths in working with the public as evidenced by my clinical affiliation experience in medical/surgical, telemetry, pediatrics/maternal and psychiatric patient care.

- Exceptional capacity to multi-task: manage numerous, often competing priorities and foster the provision of superior patient care
- Patient management experience including assessments, holistic approach to treatment, and unique ability to educate, inform and advocate for them and their families
- Demonstrated ability to lead, and motivate fellow nursing students to provide top-quality patient care
- Outstanding interpersonal and communication skills; superior accuracy in development of comprehensive care plans evaluated and approved by clinical instructors

Certifications and Proficiencies

Current Degree: Bachelor of Science in Nursing - Immaculata University Nursing Program
