TEACHING EXPERIENCE

Wissahickon High School

Art Teacher

Ambler, PA

September 2013-present

Teaching Art at the 9-12 level including introductory classes of Art Media I & II and Ceramics. Concept-based program where students are encouraged to explore different media choices.

Quarry Hill Elementary School

Long-Term Substitute Teacher

Fallsington, PA

April 2013-June 2013

Taught Art at the K-5 level following the curriculum already in place. Based lessons on a variation of media as well as certain skill set. Duties also include setting up for district-wide art show.

Lincoln University

Lincoln University, PA

Adjunct Professor of Graphic Design

January 2013-September 2013

Taught Graphic Design III to senior Graphic Design students with a focus on layout and typography.

Looked in depth at how color choices, typeface, layout, and design can reflect a certain clientele through use of lectures, projects and critiques.

University of the Arts Saturday Arts Lab

Art Teacher/Mentor Teacher

Philadelphia, PA

September 2012-present

Created syllabus and taught digital photography for students grades 6-8. Mentor teacher for student teacher, observing and providing feedback.

Norwood School

Long-Term Substitute Teacher

Norwood, PA

September 2012-November 2012

Created and implemented lesson plans at the 1-8 grade level focusing on the elements and principles of art

Worked with Promethean board to introduce lessons, keep students on task and for reference materials

Shady Grove/Mattison Elementary Schools

Long-Term Substitute Teacher

Ambler, PA

January 2012-June 2012

Created and implemented interdisciplinary lesson plans at the K-5 level including digital photo and ceramics within the Wissahickon School District

Graded projects by multi-faceted rubric, turn and talk, with a large focus on reflective writing

Set up for two elementary schools in district-wide art show including artwork from every student

Abington Art Center

Art Teacher

Abington, PA

June 2012-present

Created syllabus and taught classes for students aged 3-12. Classes focused on exploration of media, ceramics and futuristic concepts.

Abington School District

Substitute Teacher

Abington, PA

September 2011-January 2012 & November 2012-April 2013

Created and carried out specific lesson plans on a daily basis
