SUMMARY

Attentive Elementary / Special Education Teacher with excellent communication and organizational skills. Four years experience teaching students with emotional behavior disorders. Comfortable collaborating with colleagues and paraprofessionals. My 5-year plan includes returning to graduate school and study to become an Applied Behavior Analysis.

EXPERIENCE

Knights Elementary | Plant City, Florida | Principal Janine Hall

Contact number: 813.757.9333

K-2 EBD Teacher | August 2016-May 2017

Simmons Exceptional Center | Plant City, Florida | Principal Cleto Chazares

Contact number: 813.707.7430

4-5 EBD Teacher | August 2012-June 2016

Roles and Responsibilities:

- Conducted small group and individualized instruction based on students' needs and behaviors.
- Communicated daily with parents / guardians to create a supportive and cohesive learning environment.
- Collaborated with colleagues to lesson plan and differentiate instruction to meet the diverse needs of the students.
- Delegated and supervised paraprofessionals inside the classroom to ensure safety and productivity throughout the school day.
- Tracked student behavior and graphed results.
- Reviewed and revised Individualized Education Plans to meet the current needs of the student.

EDUCATION

Kutztown University | Kutztown, Pennsylvania

Elementary & Special Education

December 2012
