

ANTHONY PRINZO

OBJECTIVE Acquire a job teaching Biology to High School students.

TEACHING EXPERIENCE

LONG-TERM SUBSTITUTE BIOLOGY TEACHER, POTTSBORO HIGH SCHOOL, POTTSBORO, PA

February 11, 2014 – May 16, 2014

Experience teaching in a high school setting. Taught 10th grade Biology and 11th -12th grade Applied Science: Living Things class. Became familiarized with the daily duties of a science teacher in a high school setting. Got the opportunity to develop more classroom management skills, organize curriculum, make data-driven decisions, use technology in a laboratory setting, and familiarized myself with Keystone testing and interventions.

STUDENT TEACHER, READING INTERMEDIATE HIGH SCHOOL, READING, PA

August 2013 – December 2013

Clinical experience in a high school setting. Taught 8th grade students under the guidance and supervision of a teacher who has had extensive experience in the field. Daily duties consisted of everything a teacher conducts including dealing with classroom issues, developing lesson plans, organizing classroom for instruction, seeking professional employment, developing classroom management skills, and relating previous learned material to the day-to-day teaching experience.

TEACHER OBSERVATIONS, IMMACULATE CONCEPTION ACADEMY, BIRDSBORO, PA

April 11-6, 2013

Observed 7th grade science teacher carry out daily activities in a school setting. Duties included assisting teacher in any way needed. Also assisted students in carrying out daily class work (worksheets, projects, and labs).

COASTERQUEST, DORNEY PARK, ALLENTOWN, PA

May 8, 2013

Assisted students from various schools complete Physics experiments and worksheets on the amusement rides at Dorney Park.

FIELD AND LAB EXPERIENCE

RESEARCH ASSISTANT, KUTZTOWN UNIVERSITY OF PENNSYLVANIA, KUTZTOWN, PA

March 2011 – March 2012

Under the guidance of a professor a research team of students observed the seasonal variation of behavior in Stellar Sea Lions and Beluga Whales located in a zoological setting at the Mystic Aquarium in Mystic, Connecticut.

FIELD AND LAB ASSISTANT, MARINE SCIENCE CONSORTIUM, WALLOPS ISLAND, VA

June - July 2010, July 2011

- Learned how to use multiple oceanographic instruments such as a CTD, current meter, and various meteorological instruments.
- Observed biological diversity of fish in the area using boat trawls and seine nets to catch local organisms. Regulated health of organisms that were then brought back to the lab by cleaning tanks and feeding them.
- Observed population abundance of Bottlenose Dolphins in the area. Also, traveled to observe various baleen whale populations off the coast of Provincetown, Massachusetts.

SCIENCE FAIR JUDGE, IMMACULATE CONCEPTION ACADEMY, BIRDSBORO, PA

January 23, 2014

Judged school wide science fair projects. Gave my professional opinion to help decide a winner.
