INTERESTS

Baseball and Softball - I've had a glove in my hand since one would fit and I've traveled the nation playing in softball tournaments. I've been named to All-World teams and voted to all-star games. I would love to coach and share the love I have for the game with others.

Theatre - Putting my music background to good use, I've been the vocal director and co-director for Interboro High School's theatre program for the past 3 years. I also like to add a few twists and turns into the scores. A Capella parts? Check. Pharell's "Happy"... Why not? Always open to new ideas? Check.

Activities - Need a sponsor for an activity? Want to start a new club? I'm ready, willing and able to help wherever I'm needed to get a new program off the ground.
