Responsibilities include: Working one-on-one or with small groups of students as directed by the teacher, aiding in supervision of students, performing routine clerical work, assisting teachers in presentation and development of learning materials and instructional exercises, assisting with personal and group needs of students, working with instructional media, office machines, and equipment.

New Story

Mountville, Pa 17554

Emotional Support Teacher

08/18/2014 to 06/11/2015

- Modified the general education curriculum for special-needs students based upon a variety of instructional techniques and instructional technology.
- Executed daily operations of the classroom.
- Planned and conducted activities for a balanced program of instruction, demonstration, and work time that provided students with opportunities to observe, question, and investigate.
- Observed and evaluated students' performance, behavior, social

development, and physical health.

- Monitored teachers and teacher assistants to ensure that they adhered to inclusive special education program requirements.
- Prepared materials and classrooms for class activities.
- Employed special educational strategies and techniques during instruction to improve the development of sensory- and perceptual-motor skills, language, cognition, and memory.
- Instructed through lectures, discussions, and demonstrations in one and more subjects such as English, mathematics, and social studies.
- Conferred with parents and guardians, other teachers, counselors, and administrators in order to resolve students' behavioral and academic problems.
- Established and enforced rules for behavior and policies and procedures to maintain order among students.
- Established clear objectives for all lessons, units, and projects, and communicated those objectives to students.
- Maintained accurate and complete student records, and prepared reports on children and activities, as required by laws, district policies, and administrative regulations.
- Taught socially acceptable behavior, employing techniques such as behavior modification and positive reinforcement.
- Attended professional meetings, educational conferences, and teacher training workshops in order to maintain and improve professional competence.
- Attended staff meetings, and served on committees as required.
- Prepared, administered, and graded tests and assignments to evaluate students' progress.
- Administered standardized ability and achievement tests, and interpreted results to determine students' strengths and areas of need.

York County School of Technology

Paraprofessional

York, Pa 17402

8/2008 to 6/2010

- Provided extra assistance to students with special needs, such as learning disabilities.
- Attended staff meetings.
- Prepared lesson outlines and plans in assigned subject areas, and submitted outlines to teachers for review.
- Planned, prepared, and developed various teaching aids such as bibliographies, charts, and graphs.
- Observed students' performance, and recorded relevant data to assess progress.
- Filled in as substitute teacher as necessary.

Growing Places Learning Center

Assistant teacher

York, Pa

10/1986 to 02/1988

- Wrote, designed and produced daily lesson plans that were developmentally appropriate.
- Supported children's emotional and social development, encouraging understanding of others and positive self-concepts.

Community:

Aaron's Acres

Participated in an internship with Aaron's Acres school age program. I helped plan create and execute monthly meetings for children with physical and intellectual disabilities.
