TEACHING EXPERIENCE

Third Grade Student Teacher

Alton Darby Elementary, Hilliard, Ohio, September 2015-April 2016

- Composed and implemented Common Core standards-based lesson plans in all subjects
- Compiled and analyzed student achievement data with the third grade teaching team to determine appropriate instruction and enrichments for students
- Integrated iPad technology into subject areas through lessons, personal learning, and project-based learning
- Formulated a student-led, inquiry-based classroom time called “Quest”
- Completed professional development opportunities that fostered personalization through blended learning

Project MORE

Grandby Elementary, Worthington, Ohio, September-December 2015

- Volunteered weekly to help a first grade student with reading fluency and using sound-spelling relationships to decode unfamiliar words
- Implemented partner reading, choral reading, and echo reading in order to increase fluency
- Analyzed reading growth through the use of leveled books and running records

Preschool Field Experience Participant

Schoenbaum Family Center, Columbus, Ohio, January-April 2015

- Assisted students in read alouds, play, crafts, literacy, and science experiences using Reggio-inspired practices
- Observed and documented the social construction of knowledge that took place in the classroom
- Conducted one-on-one observational assessments in mathematics with word problems and manipulatives

Olentangy Teacher Academy

Wyandot Run Elementary, Powell, Ohio, August 2011-May 2012

- Evaluated third grade students’ phonological development with word sorts and flash cards
- Assisted preschool children with special needs in social development through incorporating play-based learning into the classroom
- Developed and taught Common Core standards-based science, reading, and writing lessons

RELATED EXPERIENCE

Birthday Party Host

Columbus Zoo and Aquarium, Powell, Ohio, September 2013-Present

- Handled educational animals for interactive experiences with children and adults
- Engaged children ages 1-12 in developmentally appropriate party games and opening gifts
- Provided assistance to party guests through serving food and drinks

Summer Experience Camp Counselor

Columbus Zoo and Aquarium, Powell, Ohio, June-August 2014, 2015

- Educated 25 to 30 first and second graders on animals, conservation, and the environment
- Coordinated lessons, activities, zoo walks, games, and crafts with colleagues
- Demonstrated leadership through building trust and relationships with campers and families

Gymnastics and Dance Instructor

Tap and Tumble, Columbus, Ohio, August 2014-May 2015

- Taught gymnastics and dance to children ages 16 months-6 years at five different preschools in the Columbus area
- Originated and applied lesson plans focused on children developing coordination, gross motor skills, confidence, and socialization
- Collaborated with colleagues to organize an end-of-the-year recital

ACTIVITIES

Reggio Emilia Study Group

The Ohio State University, Columbus, Ohio, October 2015-Present

Kappa Phi Kappa Member

The Ohio State University, Columbus, Ohio, January 2015-April 2016

Volunteer Young Life Leader

Dublin Jerome High School, Dublin, Ohio, February 2013-February 2014
