Teaching Experience

Boys' Latin Charter School of Philadelphia

Middle School Math Teacher

August 2013 –Present

- Created Boys' Latin's first year of the 6th grade math curriculum.
- Instruct five sections of 6th grade math to a total of 150 students.
- Co-teach reading period for advanced level readers.
- Differentiate math curriculum and provide modified assessments for students with IEP's and 504 plans.
- Participate in faculty meetings, Professional Development days, and workshops on building new curriculum.
- Plan lessons using Common Core Standards and Danielson rubric to engage and challenge a class with students whose math abilities range from below grade level to above grade level.

Lansdowne Middle School (Baltimore, MD):

Seventh Grade Pre-Algebra Teaching Internship I – Part-Time

August 2012-October 2012

- Assisted in classroom instruction and management for one GT 7th grade Algebra I class and three 7th grade pre-algebra classes.
- Taught and adapted interactive lesson activities to fit the needs of inclusion students and to make the content more motivating and engaging.
- Guided one on one practice with individual students and in small groups.
- Provided modifications for students with IEPs and administered pull-out testing.

Middle School Math Teaching Internship II – Full-Time

March 2013-May 2013

- Instructed three seventh grade pre-algebra classes, one gifted/talented algebra class, and one eighth grade algebra class.
- Planned and taught two units for pre-algebra and one unit for algebra, creating different forms of assessment throughout each unit.

- Weekly co-planning meetings for both pre-algebra and algebra units, lessons, and assessments. Before the unit, all teachers would make a calendar to plan the number of days for each lesson. During the unit, teachers collaborate and create one assessment, with a rubric, to give to all students. At the end of the unit, teachers assess student learning outcomes and how to maximize student learning.

Loch Raven High School (Baltimore, MD): *October 2012-March 2013*

High School Math Teaching Internship II – Full-Time *January 2013-March 2013*

- Instructed two Honors College Algebra classes, two standard Algebra I classes, and one Honors Geometry class.
- Planned creative lessons that engaged students and effectively used the curriculum guide to communicate content knowledge to students.

High School Math Teaching Internship I – Part-Time *October 2012-December 2012*

- Assisted in classroom instruction and management for one Honors College Algebra classes and two standard Algebra I classes.
- Created an engaging bulletin board with three sections displaying the properties of logarithms, graphs of basic functions, and equations of a line.

Baltimore Lab School (Baltimore, MD): *January 2011-May 2011*

- Completed 30 hours of Field Experience in special education at the secondary level.
- Aided in high school level math class and middle school level writing class for students with learning and emotional disabilities.
