EDUCATION

West Chester University of Pennsylvania, West Chester, PA

Bachelor of Science in Education, May 2016

Major: Early Grades Preparation (PreK-4) and Special Education (PreK-8)

Cumulative GPA: 3.89/4.0, Cum Laude, Deans list (7/8 semesters)

TEACHING EXPERIENCE

Student Teacher

January 2016-May 2016

East Ward Elementary School, Downingtown, PA

Third grade general education classroom:

- Collaborated and cooperated with mentor teacher and other teachers to assume daily classroom responsibilities including lesson preparation and implementation
- Planned and implemented third grade math, language arts, and social studies lessons for four sessions each day using the *Reading Wonders* program by McGraw Hill Education and the *Math in Focus* program by Houghton Mifflin Harcourt
- Developed and implemented an interactive unit on the Southeast region of the United States
- Gathered data through pre-assessments to develop and implement a unit on geometry followed by collecting post-assessment data to track student progress and inform teaching abilities
- Differentiated lessons for a variety of instructional and behavioral needs including a variety of learning styles
- Implemented lessons using technology including a SMART board and various iPad applications
- Volunteered to tutor students in need of extra academic support after school every Monday and Tuesday

Learning support classroom:

- Planned and implemented math and English language arts lessons for first, second, and third grade students for three sessions each day using the *Do The Math* program by Houghton Mifflin Harcourt and the *Foundations* literacy program by Wilson Language Training
- Differentiated lessons for a variety of instructional and behavioral needs
- Completed a Re-evaluation Form and Individualized Education Plan with the assistance of my cooperating teacher
- Used the Fountas and Pinnell reading assessment to gather baseline data
- Progress monitored students in math and reading fluency using Aims Web's (Pearson Education) collection of curriculum-based assessments on a weekly basis
- Gathered pre-assessment data to prepare and implement a unit of study followed by collecting post-assessment data to measure student progress and inform the effectiveness of my own instruction
- Assisted students with completing Fast Forward's Reading Readiness, an online scientifically-based reading intervention program
- Utilized the online tool, Plickers to engaged students and gather data to drive instruction

Field Experience

January 2014-December 2015

- *The ARC of Chester County*, West Chester, PA: Curriculum and Instruction for Individual Learning Differences II
- *Saint David's Preschool*, Wayne, PA: Pre-Kindergarten Methods and Field
- *Manoa Elementary School*, Havertown, PA: Reading Practicum- Fourth Grade
- *Devereux Day School*, Downingtown, PA: Behavior Management & Field Experience
- *Upper Darby Kindergarten Center*, Drexel Hill, PA: Theory and Field Placement
- *Collegium Charter School*, Exton, PA: Students with Exceptionalities
 - Prepared lessons and instructed small group math and reading instruction using the *Math in Focus* program by Houghton Mifflin Harcourt
 - Observed and assisted in a preschool, kindergarten, fourth grade, sixth grade, and eleventh grade classroom; several included students who had been diagnosed with autism
 - Created and implemented mini-lessons to teach basic academic concepts and pre-academic skills including sitting and name recognition

- Worked with students individually on vocational tasks such as stocking shelves, sorting, and other tasks

CAMPUS AND COMMUNITY INVOLVEMENT
