TEACHING EXPERIENCE

New Media Technology Charter School **Learning Support Teacher**

September 2014-present

While at New Media Technology Charter School I held the position of the 6th and 7th grade learning support teacher. I also covered the senior caseload while the case manager was on maternity leave. I have had experience with students who were on the Autism Spectrum, Emotionally Disturbed and diagnosed with specific learning disabilities. I helped to create crisis plans and created multiple incentive plans. I have experience with Easy IEP, co teaching and the I-Ready curriculum.

Central Bucks School District

January 2014-June 2014

I was a registered substitute teacher for the Central Bucks School District. While subbing for the school district I worked in both general and special education classrooms.

Student Teaching

January 2012-May 2012

I completed my student teaching in the Cheltenham School District. The first six weeks were spent in a First Grade classroom while the second six weeks were spent in a K-2 Learning Support classroom. I created lesson plans, progress monitored and assessed students.

Central Bucks Family YMCA Summer Camp

June 2006-July 2011

While working at the summer camp I planned and ran activities for campers ages three to fifteen. I was responsible for the children's care and well-being. I also made sure the children are being safe and administered first aid to a situation that requires it.

Central Bucks Family YMCA Preschool

September 2006-September 2007

During my time at the preschool, I was responsible for watching children age's three to six in the afterschool care program. I had to plan activities for the children until they were picked up. I was to make sure the children were safe and properly supervised.
