Volunteering

Po-Mar-Lin Fire Company

July 2009

In July of 2009 Po-Mar-Lin Fire Company, of Unionville, Pa allowed me to put together and hold a fire safety day. I asked local companies and businesses to donate money or products to help with the day. I sent out flyers to local day cares, churches and post offices to advertise the day. On the day of the event I had a group of ten firefighters and ten other friends to help out. We gave tours of the firehouse, talked to children about fire safety and let the children check out the trucks. The day did not go as originally planned, which helped me see that Plan B can be just as successful as Plan A.

Po-Mar-Lin Fire Company

2012-Present

As an auxiliary member of the Po Mar Lin Fire Company in Unionville, Pa I have worked with the Unionville PTO to hold events, as well as work with the other volunteers to prepare for events, parades and general time at the firehouse.
