OBJECTIVE-

To secure a position as an art teacher in order to share my knowledge and passion for visual arts with my students. To instill a desire and appreciation for visual art with my students as well as inspire a desire to grow and learn through the visual arts education program. To enjoy what I do every day that I am teaching art to my students.

Qualifications-

2005-present Aberdeen Alternative -Harford County Public Schools

ART TEACHER- Teach, prepare and implement art lessons in accordance with HCPS/MD state curriculum guidelines for high school/middle school students in an alternative high school setting. Meet the social, academic, and mental needs of the “at risk” student. To incorporate and instill the PBIS behavior system to improve student behaviors and school environment in a positive manner. Collaborate and communicate the needs of the students with counselors, psychologists, behavioral specialists and special education staff. To cooperate and communicate in a professional manner with students, parents, administration and fellow staff members. To provide a safe, nurturing, academic environment for my students to enjoy their visual art experience. Prepare and advise students on graduation requirements as well as preparation for college and/or trade education beyond high school.

2003-present Harford Community College- Bel Air MD

ART TEACHER- Teach and prepare lessons for art classes offered to students through the youth studies division, college of continuing education Harford Community College. Teach and prepare lessons for students during the summer arts and Discovery College program grades 4-12. Help develop curriculum with new and exciting classes/ideas for students. Teacher in charge of supplies and inventory. Collaborate, cooperate and communicate in a professional manner with students, parents, administration and fellow staff members. To provide a safe, nurturing, fun environment

2002-2005 Hereford Middle School-Baltimore County Schools

ART TEACHER- Teach, prepare and implement art lessons for middle school students in accordance with BCPS/Md. state arts curriculum guidelines. Collaborate, cooperate and communicate in a professional manner with students, parents, administration and fellow staff members. Create a safe, caring, nurturing learning environment for middle school students in the visual arts program.

1992-1995 Kiddie Kare Preschool- Havre de Grace Maryland

Director- To oversee the daily operations of a preschool for ages 2-6 yrs. old. To work in a cooperative manner with staff and parents. To be responsible for all daily operations of the school including, office, payroll, personnel, care and learning of young children in a preschool environment.

To be held accountable for state licensing agencies to ensure a safe and secure preschool environment that complied with the rules and regulations established by the Harford County Health Department. To oversee lesson plans and assist staff with planning as well as professional growth in the teaching field. To oversee purchasing of supplies, implementing proper nutritional menus, accounting and bookkeeping for tuition and weekly payroll.
